

MEMORANDUM FOR: Inspector General

2 March 1956

SUBJECT : Attached Survey Report on ELINT Program and Accompanying
"Eyes Only" Memorandum

1. Attached is the survey report prepared as a result of my "look see" at the status of the Agency's ELINT Program. In accordance with our earlier discussion on the format of this report I have also prepared an "Eyes Only" memorandum to the Director to apprise him of certain personal recommendations which are not suitable for inclusion in the open report.

2. You will recall that at our luncheon meeting I suggested that you may wish to discuss this report on an informal preview basis with the DDCI since I understand that he has taken a personal interest in the Program and I know that [] considers him to be his sponsor. [] at my request, participated as an observer in many aspects of the survey and has reviewed the report in some detail. He is of the opinion that it does not contain sufficient detail possibly because of my familiarity with the Program. I appreciate Hank's views in this respect but believe that I have effected the best possible compromise between memoranda coverage of this situation and a "full blown" and lengthy survey report. I will be happy to discuss whatever revision or modification you consider necessary in this respect or in any other.
